Tender No.: VGL/CO/C&P-CNG/BD202211024 Dated 10/11/2022

Tender Subject: Hiring of 02 Nos. 8000 WL or above Capacity Mobile Cascade along with Brand New Suitable LCVs/MCVs/HCVs on Wetlease basis for the period of 03 years

With reference to the above subject tender, final replies to bidder's queries have been addressed below:

| Sl. No. | Bidder's Queries | VGL's Reply |
|---------|---|--|
| 1 | We are requested to you for giving deployment time for 3 month from LOA date. | Cascade with suitable commercial vehicle deployment time 21 Days from the date of the LOA. |
| 2 | We are here request you to please accept the vehicle CNG/HSB registration after year of 2020 because of this criteria you will find best rate and get more competition on this bid criteria. | Deploy vehicle model 2020 onwards HSD/CNG |
| 3 | EMD: Since we are a registered MSME we request you to accept our CP registration in lieu of EMD of Rs. 3,87,186/- and extend the MSME benefits to us. | Cascade with suitable commercial vehicle deployment time 21 Days from the date of the LOA. |
| 4 | Mobilisation Period: May note due to ongoing shortage of raw materials and parts mobilisation of new vehicles and cascades in 15 days is practically challenging so we request you to grant minimum 2~3 Months mobilisation period for the tender. | 21Days from the date of the LOA. |
| 5 | Split contract : As you are aware that raw material prices have increased at least by 20% for both Truck and Cascade, also interest rates have increased it is very challenging to maintain the services at our Contract levels with VGL. However having operating CNG fleet with VGL we request VGL to make provision in the tender to match L-1 and/or split contract so that we get an opportunity to extend our services further and the same will also be beneficial to VGL as they will get economies of scale when existing contractors add more fleet to their existing Contract. | The Tender Conditions Prevails. |

NOTE: A COPY OF THESE REPLIES TO BIDDER'S QUERIES AS ISSUED ON VGL WESITE ALONG WITH SIGN AND SEAL OF THE BIDDER WILL BE REQUIRED TO BE SUBMITTED WITH TECHNO-COMMERCIAL BID AS THIS WILL BE AN INTEGRAL PART OF THE TENDER.
